Two more college students are baptized into Christ: Blaine Jeffries and Greg Smith make 18 baptisms this year (13 campus plus 5 Urban Professionals). There are many more on the way as well. Keep praying for weekly baptisms!

A Note from Jay and Carol...

Dear Westsiders,

Graduation Sunday was an inspiration on June 9th. Transitions aren't easy, but the Urban Professionals are excited to welcome so many new members into this rich new chapter of their lives. The marrieds are excited about Brian and Hannah (Templer) Fisher.

It's great to be home. We heard that Pierre Newsome busted out a rap at church while we were out of town.

Love you guys,

-Jay and Carol
